

*An opportunity to support a  
young organist and leave a musical  
legacy for future generations.*

*Today it has become a challenge for our area youth to learn to play pipe organs. To make pipe organ lessons more accessible to youth, from time to time in addition to offering educational programs, the Leek Pipe Organ Company awards scholarships to talented youth with an ear for music and a passion for learning the pipe organ. If you would like to join us in supporting area youth you are welcome to make a contribution towards this scholarship. Any amount is welcome and appreciated. We will keep you informed of the beneficiaries of your generous contributions and their progress in learning to play this magnificent instrument.*
